SEPTMBER 11TH NATIONAL MEMORIAL TRAIL
Public Meeting and “Ideas” Workshop Questionnaire

Thursday October 16, 7-9pm: Victory Fire House, 205 Webster Street, Bethlehem PA 18015  
Tuesday October 21, 7-9pm: Hollidaysburg YMCA, 1111 Hewitt Street, Hollidaysburg PA 16648,  
Monday October 27th, 7pm to 8:45pm: Bosler Library, 158 West High Street, Carlisle, PA 17013

Welcome to the “Ideas” Public Workshop. To help the project team understand your personal needs, concerns, ideas, interests and other thoughts about this important Northern Leg of the 911 Trail and possible trails that would connect to it, we ask you sit at one of the tables, mark up with the large map found on each workshop table, and participate in the discussion at your table. A member of the project team will be glad to assist you. We are also particularly interested in learning from you of key sites and locations you think should be served by this leg of the Trail.

1- Where and how do you want to travel, or recommend that others want to travel? Please draw a line(s) on the map linking starting and ending points of trips you would make or recommend to others for the Northern Leg of the 911 Trail. Please use the following letter or letters next to your lines to indicate how you travel, or would recommend travelling:

   B - Trips by bicycle
   C – Trips by private car
   F - Trips on foot
   H - Trips by horseback
   M – Trips by motorcycle
   T – Trips by public transit

2- Where and how do you want to travel, or recommend that others want to travel? 3- Existing off-road trails you know. To help us plan the Trail, please mark existing trails you know or use which are off-road, and make travel possible on foot, bicycle or horseback.

4- Other Comments, Resources and Suggestions: Please write your comments on the back of this questionnaire, or on the additional sheets provided.

Project Description as of October, 2014

The September 11th National Memorial Trail will provide a physical linkage connecting the three memorials commemorating the tragic events that occurred at the Pentagon, Flight 93 crash site near Shanksville, Pennsylvania, and the World Trade Center on September 11, 2001. The northern Pennsylvania trail route from the Delaware River to the Flight 93 National Memorial and the Great Allegheny Passage will span 300-miles, connecting communities, significant sites, and local memorials along the way. Once complete, the September 11th National Memorial Trail will total 1,100-miles of non-motorized cycling and walking trail. It will serve as a recreational and transportation venue for promoting tourism, economic development, healthy bodies and minds, and cultural and educational opportunities for generations to come.
